

Environmental Policy

We, at Masterloy Products Company are committed to protect our environment.
To achieve this we shall:

1. Strive to prevent, eliminate and reduce waste and pollution by improving operations and recycling/reusing of material wherever possible.
2. Conserve natural resources and strive to reduce material and energy consumptions.
3. Comply with all applicable statutory and regulatory requirements.

The environmental policy of the company shall be communicated to all employees and made available to all interested parties.
